

Quality Produce International Environmental Policy

Environmental Commitment

QPI is committed to managing all aspects of our operations in an environmentally responsible manner.

To ensure environmentally responsible behaviour is accepted as an integral part of our operations, we specifically undertake to:

- Establish and maintain an Environmental Management Plan to help systematically monitor and reduce our impacts on the environment.
- Review our environmental impact through risk assessment and ensure adequate management controls are in place to prevent pollution occurring from our activities and operations.
- Conduct operations in compliance with relevant local and national environmental laws and regulations.
- Communicate this policy to our employees and business associates.
- Educate our employees on their environmental responsibilities and ensure this is integrated into their work practices.
- Develop continuous improvement strategies based on measurable data.
